

Every game of every round
of the footy, live and in HD.

No ads during live play,
siren to siren.

Plus the launch of a
channel dedicated to AFL.

**This is historic.
Mark it.**

From next season, for the first time in broadcasting history, FOXTEL will deliver Australians every AFL game of every round LIVE and uninterrupted, siren to siren.

The pre-season competition, and all of the Toyota AFL Premiership Finals (with the exception of the Grand Final) will also now be available, live and in stunning HD. Plus, FOXTEL are bringing back a dedicated HD AFL channel for fans who subscribe to our Sports HD package and will broadcast the Brownlow Medal, live and in full for the first time.
